Medieval Mayhem Rules!

Our first October Fest was a HUGE success, thanks to the many helpers who freely gave their time and energy, the dry weather, and the large crowd that turned out to support us!

Time to forget the troubles of the world for a short while and have a bit of fun together. We raised over £500 for the village hall, but more importantly, everyone had a great time! It was one of those events that goes to prove how lucky we are to have such a strong community spirit here. Don't forget to do your bit to help save our local facilities by returning the Two Bridges questionnaire - and maybe writing a letter to your MP. Time is running out.

LEWANNICK PARISH COUNCIL

We met at Lewannick on Thursday 20 October.

The Chairman attended a Planning Committee meeting at Camelford where the application for the erection of a footbridge at Two Bridges picnic area was discussed. Although Highways do not actually need to apply for planning permission the Committee turned it down, stating that it was a complete waste of money and that the planned alterations would only complicate a dangerous junction. Cllr Graham Facks-Martin voiced our concerns. With reference to the Two Bridges junction we have received much correspondence. We have received a reply from Dan Rogerson MP with a copy of a letter he had from Stephen Ladyman on behalf of the Secretary of State. We have also contacted the Cornwall County Council – Paul Allen and they like us are waiting for the outcome of the questionnaire. There are also proposed vehicle movements at Blackhill Quarry. Spatial Planning have informed us that negotiations have been going on for some 18 months. It is proposed that the quarry will re-open at the end of 2006.

We have written to Mr Daly of Spatial Planning to appraise him of the current situation from the Highways point of view.

It is important that everyone within the parish completes the questionnaire regarding the Two Bridges Junction. If you have not received a questionnaire there are plenty available within our Post Office.

We have circulated literature regarding Local Works campaign for the Sustainable Communities Bill to all Councillors and we are supporting this Bill.

There is a Neighbourhood Watch Office opening in Camelford – 01840 212694 – which is manned by volunteers and will be open, at first, for three days a week. Details will appear on the police web site.

We had no planning applications for discussion. There was an approved application from NDC for Mr and Mrs S Basford – demolish existing single storey garage and erection of a two storey side extension, erection of detached garage and erection of front entrance porch.

A Parish Plan has been discussed at length within the Council. It has been decided that we will not be going ahead with a Plan. There were no invoices presented for payment at our meeting.

Our Precept for the year 2006/2007 will be reviewed at our November meeting. If there are any members within the parish that would like a project/amenity/maintenance grant for the benefit of our community please speak to a Councillor before our next meeting.

Our next and future meetings will be held on the third WEDNESDAY of each month. Our November meeting will be held at LEWANNICK 20.00hrs on Wednesday 17 November.

Village Hall News

October events in aid of the Village Hall made nearly £800. The Wine and Wisdom was very well attended and enjoyed by all, making £189. The John Peel celebration made £90, sadly not well attended but hugely enjoyed by the 40 or so that did. The live band, Inspector Beevor, with Paul Corner on drums proved to be excellent. The October Fest was much more successful than we dared hope and raised over £500. Thanks to everyone for all the hard work and support.

Whitmans weather

I recall that at the time of drafting last month's Newsletter weather report, the poor souls of The Caribbean and Southern States were being subjected to the horrors of Hurricane Rita.

Here we are four weeks on (22nd) and yet again the weather has the upper hand in that part of the world. Hurricane Wilmer now seems set to strike The Keys and Floridian mainland having done it's worst in Mexico and The Caribbean (once more). Who knows where it might go from there?

How lucky we are not to be subjected to such terrifying ordeals. The worst we have received during the last four weeks is 5.5 inches of rainfall and a day or two of gale force winds. Interestingly however, October is the wettest month I have recorded since January, albeit more than 2 inches drier than October last year.

As far as the YTD figure is concerned, my 'little black book' still shows us in waters a good foot shallower than at this point in 2004. Could we therefore be heading for one of the drier years on the L, P & T record? Possibly I suppose but then we have still have two months to go and as all in Cornwall know, anything could happen!! *Steve Whitman*

UK Scout Representatives

Two local lads, Edwin (16) and Mitchell Dyer (14) have been selected to represent the UK in South Africa next year with the Scout Association. Both have been involved in Scouting for several years. They will be with a group of 40 Explorer Scouts and will be visiting south Africa for 3 weeks next summer. The trip will include working with big game wardens, helping at a marine conservation project, trekking through the wilderness and assisting a school with a building project. As well as attending the actual event, both boys are expected to make presentations to local community groups upon their return, they also have to attend a number of training weekends, and have to raise a substantial amount of sponsorship money prior to their departure. If anyone would like to help through sponsorship, or wishes to have more information, please contact them on 86048.
