Cornwall Senior Citizens Forum – North Cornwall Branch

A meeting was held on Monday 5 November 2007 at Lewannick village hall. A very good attendance welcomed several guests and in particular our speaker Mrs Ann Nicholls from Age Concern who gave an enlightening talk on the work carried out by the organisation. The chairman Mr. Bernard O'Neil gave a comprehensive report of the meetings he had held with several organisations and the rally he attended in London where he presented our MP Mr Dan Rogerson with a letter containing points our senior residents wished to put to him. After the meeting the members gathered together for refreshments and a general chat. The next meeting will be held at the village hall on Monday 7th January 2008 at 2.00pm, all welcome and those wishing to join our group will be most welcome. We were formed to promote the welfare and interests of all pensioners and those nearing pensionable age.

LEWANNICK PARISH COUNCIL

Lewannick Parish Council met at the village hall in Lewannick on Wednesday 21 November. There was one member of the public present who wished to query the proposed parking restrictions outside of Lewannick Post Office. During our meeting it was agreed that we would support a restricted parking zone outside of the Post Office, it was felt that everything should be done to support this valuable service within our community. We now wait to hear from Highways.

We have written to the Technical Services Department, NCDC, regarding the lack of grass cutting at St Martins Close also to the Divisional Surveyor CCC with reference to algae on pavement, Medrow.

There were a number of documents for consultation including South West Water review to meet challenges of the future, CCC informing us that they have adopted the Statement of Community Involvement, 'One Cornwall' with information on its aspirations and the potential future role of parish councils and finally North Cornwall Local Development Framework.

We supported planning application 2207/020703 Valvona. A site meeting has been requested with regard to 2007/02126 Bowden Derra Park, Polyphant, Cash. This is because we are concerned with the overall height of the proposed sports hall and the impact it may have on the village together with the visual impact from the A30.

For information the erection of agricultural building at Charmwell Farm, Coombeshead has been approved.

Financially we have made a grant to Neighbourhood Watch of £100 in order to purchase signs for the parish. Our precept for 2008/9, after several years remaining at £10,000, will have to be raised to £12,000. We have had to purchase an up-to-date communications system and increase the clerk's salary in line with the national

LEWANNICK CHURCHES TOGETHER DATES FOR DECEMBER

Sun 9 Amos Marshall 10.00 am
Sun 16 Rev. Chris Probert 9.30 am

Christmas Services

The Carol Service at Lewannick this year will be on Sunday Dec 9 at 6.30 pm with the St Gennys band. There will also be carol services at Bowden Derra on Sunday Dec 2 at 8 pm and at Pen Inney on Monday Dec 17 at 6.30 pm. There will not be a service at Lewannick Church on Christmas day because the five parishes, now served by just one priest, have agreed to plan service times on a group rotation basis to give each Church a chance at having a Midnight Mass. There will be a Christmas Eucharist at South Petherwin on Christmas Eve at 4 pm, a Midnight Service at Lezant and a Christmas Morning Eucharist at North Hill at 10 am. Everyone will of course be made very welcome by those parishes that have Christmas services this year.

Bible Studies and Prayer Times

Following the success of the fortnightly Bible study meetings in people's homes in Lezant & Lewannick on Wednesdays at 7pm it has been decided to have a prayer time on the other Wednesdays at 10 am alternating between Lewannick Church and Trebulet Methodist Church. For further information or if you would like to pray for someone or something ring either Margaret Oxenham 01566 782240 or Chris Probert 01566 786976.

minimum wage.

Cornwall and Isle of Scilly Community Safety Partnership is preparing its plan under the 1998 Crime and Disorder Act. They include a summary of crime from April 2006 to September 2007 and included a questionnaire picking out the area of crime which causes us most concern.

We have also been in correspondence with South West Water regarding investigating the need for work at Polyphant. Their letter states ... that the owners of the private pumping station have now reduced the maximum flow rate which was causing problems at their pumping station. The incident on Saturday 10 November was a blockage, and unrelated to the capacity of the system. Therefore, their advice remains that limited development can be serviced in the area.

It is not proposed to hold a meeting in December. However, Councillors and Clerk will be holding a seminar with CALC and, of course, there are a number of consultation documents being considered by Councillors. Our next meeting is scheduled for Wednesday 16 January 2008 at Polyphant Village Hall commencing 8 pm.

The Parish Council extend their warmest wishes to all residents for a happy Christmas.

Cycling Buddy

I have recently moved to Polyphant, from Derbyshire, and I have left my cycling buddies in the Peak District. Is there anyone in the area who would like to join me on a ride or rides? I mainly use my road bike but I also have a mountain bike. I ride to chill out and enjoy the countryside. If you are interested give me a call or send an email. Andrew Roskrow (late 50s)
