

Lewannick, Polyphant & Trevadlock Newsletter

Glad tidings you bring!

Thank you for all the kind and encouraging comments about the last newsletter, which make the effort worthwhile. Once again it's been a struggle to cram everything in – but please keep your contributions coming.

Although this is a busy month for all, why not absorb a little Christmas spirit by taking time to relax and enjoy some of the many festive events taking place around the parish.

Have a good time! Here's to you, one and all, Merry Christmas and a Happy New Year.

Polyphant Youth Club

The youth club runs each Friday evening, school term time only, from 7pm to 8.30pm for children aged seven and over, living in the community of Polyphant, Lewannick and Trevadlock. A small charge is applied, at 75p per evening per child, (to cover the overheads), and takes place in the Polyphant Chapel Hall. Various games, sports and activities are run each week, including volley ball, cricket, bingo, craft projects, baking – outings have been arranged in the past to Trethorne, a summer beach trip, nature walks, Xmas Carol Singing – we've had visits to the youth club from places like the Owl Sanctuary, and a fun evening of circus tricks and performing – to name but a few. In return, we ask parents to assist, on a rota system, getting involved with the weekly activities. New children and new ideas are always welcome. Come along and enjoy an evening with us.

POLYPHANT YOUTH CLUB FIREWORKS

We extend a very big thank you to all that came along to support our Bonfire Night and Fireworks Display on Saturday 2nd November. Even though the weather conditions could not be described as perfect, the evening was mild, and the rain stayed away up until the last few minutes of fire works. We hope you all had an enjoyable evening.

Hints and tips

No internet? Ask your friends or your children!

Security worries? All larger internet stores, like the ones listed here, go to great lengths to ensure security, so it is safe to use your credit card.

Expensive? Both mail order and Internet shopping is extremely competitive these days so the prices and level of service are usually excellent.

Will it come in time? Order as soon as possible. Check availability of the goods you are ordering. Most internet sites let you do this, and some, like Amazon, let you track the progress of your order and e-mail you when goods are despatched.

All fingers and thumbs? Just log in to the updated shopping page on www.lewannick.info and click on the links to be taken for a Christmas Shopping Extravaganza!!!

PARISH COUNCIL

LEWANNICK PARISH COUNCIL held a special meeting on Thursday 7 November at 7.30pm in Polyphant Community Centre in order to have a public debate on the proposed location for a shelter. The Chairman began the meeting by explaining the history. The first request for a shelter was received in 1985, which was recorded in the Newsletter. Sites were explored at length, within Serpells Meadow, the Chapel - where the children currently wait for a bus - and finally on the Green. The site immediately opposite the Chapel was seriously considered, however, after negotiations by our sub-committee it was regrettably, our opinion that the conditions stipulated by the Chapel were too onerous for us to contemplate.

In order to build a shelter it is necessary for us to have the full backing of Highways without which our insurers would also not cover us. We have also had discussions with NDCD, Planning and the Conservation Officer who had approved the proposed location. Funding for the shelter would be by way of grants 50% and precept 50%. The maintenance and insurance of the bus shelter at Lewannick is the responsibility of the PC as would be a shelter in Polyphant.

We have a duty to encourage the use of public transport; there is an ageing population and a growth in the number of children who use the public transport on a daily basis.

The Chairman discussed the artists'

impression on display, and circulated copies to all those present for examination. He then threw the meeting open to the public for general discussion. On conclusion a vote was taken and everyone present was in favour, in principle, of a shelter for the village, if a location could be agreed upon. The Chairman has written to the Deputy Prime Minister for a definitive answer to the proposal of building a shelter on common land. Following his reply a further public meeting will be called.

The Ordinary meeting of the LPC was held on Thursday 21 November. Amongst business discussed was the precept which has been drastically reduced to £25 per household which residents will be pleased to hear. Our next meeting will be held at Lewannick on Thursday 19 December commencing 8pm. As always members of the public are welcome to attend.

LEWANNICK VILLAGE HALL NEWS

Christmas Bazaar

Saturday 7th December at 2.30pm

Lots of effort has gone into this year's bazaar. New stalls with many hand made and unusual gifts and decorations – the ideal place to finish off (or start!) your Christmas shopping. **Father Christmas will arrive at 3pm!**

Whist Drive

Saturday 14th December

This month's Christmas special Whist Drive is in aid of Lewannick Village Hall. Lots of bumper prizes.

Dog fouling on the Green

It has been noted that some dog owners are parking in the Village Hall car park and letting their dogs out to foul the grass. This is especially undesirable as this area is used by children, and completely unnecessary as we are surrounded by countless miles of countryside. Any one observed doing this will be prosecuted and fined.

BREAST CANCER APPEAL

Thank you to Karen at the Post Office and Janice at the Archer Arms for displaying the collection boxes in aid of the fund raising for breast cancer last month. The sum of £56.75 was collected. Grateful thanks to you all.

I would also like to say a big "thank you" to everyone for your support of us over what has been a very difficult last twelve months. Your cards, gifts, prayers and words of encouragement have been a tremendous comfort to us. I am pleased to say that things are going well and I am starting to feel "normal" – if that is possible for me!!!! Once again a very sincere "thank you." *Rachel Fuge*
